Terry and Scott,

Tito has asked that we have consolidated comments to R3 on Tuesday. Can you please send me your comments by COB Monday?

Please let me know if there is any problem,

Janine

Janine, Terry and Scott:

I know that you are currently reviewing the latest set of data on Dimock. In addition, can you all please start to give this a look and provide comments/feedback ? Janine, can you be the point for consolidating the feedback on this ?

With the holiday week coming up, certainly good to be able to work on this a bit early.

Thanks,

David/Dana: here is a draft Q&A for the rollout of the remaining data - Shawn has not reviewed yet, but I wanted to start the process of HQ review so we have it ready when the data is ready to be released.
